What is Young Life? Young Life doesn't start with a program. It starts with adults who are concerned enough about kids to go to them, on their turf and in their culture, building bridges of authentic friendship. These relationships don't happen overnight-they take time, patience, trust and consistency. Young Life leaders log many hours with kids-where they are, as they are. We listen to their stories and learn what's important to them because we genuinely care about their joys, triumphs, heartaches and setbacks. We believe in the power of presence. Kids' lives are dramatically influenced when caring adults come alongside them, sharing God's love with them.
